

**CONNECT WITH OLYMPIA**

Dear Michael,

Root Cause is a non-profit research and consulting firm that works to advance solutions to today's toughest social issues. They also recently selected **Olympia Moving & Storage** to relocate their corporate offices from Cambridge to Boston.

Olympia did double duty for this job. Root Cause decided to purchase new furniture from local furniture vendor **National Premier Partners**, who in turn hired Olympia to deliver and install the new workstations, seating, and conference furniture.

Olympia used our own **in-house installation team** to set up the new work spaces from National Premier Partners.

**ROOT CAUSE NOTABLE QUOTABLE**

"The Olympia team far exceeded our expectations; their thorough communication, flexibility, and friendly movers make the experience hassle-free. We were able to focus on the excitement of moving to a new space rather than the stress of getting there."

Communications  
Manager, Root Cause**

Upon successful completion of the move, Root Cause realized there was a substantial amount of old furniture and items that no longer had value. Olympia was hired again, this time to provide **Disposal Services** using our partnerships with local recycling centers.

Root Cause is now comfortably in their new space, enjoying their new furniture, and Olympia Moving & Storage was happy we could help on many levels!

**Do you need our help with a multi-part move?** Olympia Moving & Storage has been in business since 1993, and maintains offices in **Boston, Massachusetts** and **Washington, D.C.** We have a great team of dedicated professionals, and will do everything within our power to exceed your expectations.

If you're thinking about a move, please give me a call or drop me an e-mail. I'd welcome the opportunity to discuss our services with you.
