

GET SOCIAL WITH OLYMPIA

Dear Michael,

Summer is the season when students from local schools, colleges and universities take time off to relax before next year...but for **Olympia Office Movers**, our "busy season" begins!

START WITH A QUOTE

Each summer Olympia spends a significant amount of time in area schools and on campuses assisting staff with renovations, special projects or moves. As usual, this year runs the gamut!

For full school moves, Olympia will be assisting **Harborlight-Stoneridge Montessori School** move and decommission the existing Stoneridge campus in Beverly to merge it with the Harborlight campus.

CREW IN ACTION AT BENTLEY UNIVERSITY

Olympia manned the Give N' Go stations on campus

As for special projects, Olympia is proud to assist **Bentley University** this year with their Give 'N Go program. Olympia is helping to collect unwanted items from departing students and deliver them to local charities.

Of course, many ask about one of our biggest projects of the year - the **Northeastern University** Move In and Move Out assistance. At the end of each school year, and the beginning of the next, Olympia sends a small army of movers to assist the students and parents with the loading/unloading process.
