MORE COMMERCIAL MOVING TALES

Read more about Olympia's commercial moving experiences:

Dear Michael,

Olympia Office Movers in Alexandria, VA recently completed a large hotel project on Fort Myer and are set to assist with a similar project on Fort Belvoir.

The project manager for both projects stated that "**Olympia's installers and movers are the best I have ever had in my 22 years in this industry**...We know that our larger and more complex project at Ft. Belvoir will be a smooth as our first with Olympia."

Fort Belvoir is set to renovate a 164 room hotel, which will serve as rooms for families of our men and women in the Army. This renovation will give families of our servicemen adequate housing while they visit their loved ones on base.

Do you need our help with a renovation? Olympia Office Movers has been in business since 1993, and maintains offices in [Boston, Massachusetts](#) and [Washington, D.C.](#) We have a great team of dedicated professionals, and will do everything within our power to exceed your expectations.

If you're thinking about a move, please give me a call or drop me an e-mail. I'd welcome the opportunity to discuss our services with you.
