Special Olympics World Games athlete Amanda Church is one of seven athletes representing Massachusetts and the United States in the World Games this year. Thanks to AMSA-certified ProMover Olympia Moving & Storage of Watertown, Mass., she will be swimming this summer in two aquatics events: breaststroke and freestyle. Since 2013, Olympia Moving & Storage has been the official logistics sponsor for Special Olympics Massachusetts. In 2014, the company's total financial commitment to the organization exceeded \$50,000.
